

ATTENTION PARISHIONERS

Given the risks associated with COVID-19 (Coronavirus) there will be no public Masses in this Parish Church until further notice.

Our Bishops in Victoria have made this difficult decision in order to protect the life and health of those most vulnerable in our community, to whom as Catholics we are called to provide a special care.

The Bishops have announced that the lay faithful are, until further notice, dispensed from attending Sunday Mass (canon 1248).

We are encouraged to keep our Sunday holy by setting aside some time for prayer at home. Reading the Scriptures of the day, watching Mass on television or online, and asking God for the graces we would normally receive in Holy Communion are all valid ways of doing this.

At this time let us keep in our prayers all the sick and vulnerable in our community and around the world and those selflessly working in hospitals and emergency services.
